February 2026 Prayer Letter

Dear Praying Friends,

Your prayers, cards, and gifts through the Christmas season were such a blessing to us. We are so thankful for you and thankful to our God, Who has kept us safe through all of our travels.

2025 Stats: Salvations – 21; Buses Worked on – 135; Repaired Buses Back on the Road – 22; Total Motor Home and Truck Miles Driven – 19,300 miles; Total Churches – 84; States – 16

Family Update: In June, we were blessed to see our five great-grandchildren in Montana. They were all Papaw Darrin's and Gee Gee Beth's grandchildren. We helped Jary Lynn's two brothers, Jack and Roger, celebrate Jack's birthday on July 4th in Omaha, Nebraska. We were so blessed to get to see Jary Lynn's youngest son Dave Highfill, his wife Kelley, their son Jack, and Jack's girlfriend Annika in Colorado Springs, Colorado, before Dave was deployed to Djibouti, North Africa, until August 2026. Please pray for him! My children and grandchildren from Indiana, Ohio, Virginia, Tennessee, Florida, and three of my Ugandan grandchildren SUPRISED me on my 75th birthday on September 20. Christmastime in December in North Carolina, we were able to spend time with Jary Lynn's daughter Jacque, her husband Jeff, and their three children and their friends.

Jesus Saves: The first of this year, while we were in Tampa, Florida, our grandchildren, Christian and Gracie, stayed with us. After church that Sunday night, we took them to supper at the Village Inn Restaurant. We played Skip-Bo with them while we waited for our food. I gave our waitress our Smiley Face tract and a Westgate Baptist Church tract. She mentioned that her kids used to ride their church bus to Sunday school years before, which opened the door for me to talk to her about the Lord. As I shared the Gospel with her, she sweetly bowed her head and trusted Jesus as her Saviour. Another waitress, who was waiting there listening, eagerly accepted the Lord as her personal Saviour as I gave her the Gospel. It was a reminder that God loves everyone. He wants to save whosoever will and give them eternal life in Heaven with Him.

Bus Repairs: In January, I worked with the bus mechanics on two recently purchased Bluebird buses with mechanical issues. We were able to diagnose and resolve these problems, successfully returning both buses to full service. Another bus had been having starting issues during cold weather for the past two years. It had a serious oil leak. Both the starting problem and the oil leak were fully repaired. Several additional buses were repaired over the phone using video chats. Praise the Lord for His guidance!

Because of the Bus Ministry, many children and adults are able to attend church, leading to lives being changed and many being saved through the Bus Ministry.

Yours for souls,

Warren & Jary Lynn Storm
