

July 2026

Our support family,

The Peruvian government rejected our carnet application (paperwork to live here), so we need to leave before August 1st to avoid fines. In our 40+ years here, this is a first! Decision made, we will land in Amarillo TX on Wed. July 30th around noon. (Lord willing) We must re-enter Peru as tourists and reapply for our carnets just like we did when we first came. To make the most of this last minute plan, please consider letting me report back and challenge your people for missions and present the need for land purchase in Pueblo Libre where we are now working.

At a church plant in ICA
3 hrs. South of Lima

I will stay stateside as long as God opens doors to raise funds for church property in Pueblo Libre, LIMA Peru. Debbie will return in September for a teaching commitment. I also feel it very necessary that we challenge younger couples to come and accomplish much more than we ever could. We are certainly not getting any younger.

Peruvian Revolving Fund

We just recently made a \$10,000 loan to a well established church to build on their property in Surco (southern Lima). However, the fund does not have near the resources needed to buy property in the 4 to 500,000 dollar range in Pueblo Libre. Even if we did have that kind of money in Project Peru, the church repayment schedule we have for repayment in 5 years or less, would be out of reach for the young growing "Iglesia Bíblica Bautista Luz de Pueblo Libre". I know it is a Big Ask but we have a bigger GOD! As of now we have \$30,000 committed via Project Peru, a good start for sure, but we need 15x's that for the prices we face for land in Lima.

*** Pastores please, reach out to me a.s.a.p. if I could come in the next couple of months or so. The best way to make contact is call 806-416-1944 (rings in Peru & USA). If I cannot answer please leave a voice message so I can get back to you a.s.a.p.. I really need to schedule the month of August first. Within driving distance from Amarillo TX, would be great, otherwise I need help to fly to your church.
