# ZIMBABWE

Dear Praying Friends,

We are writing this newsletter from our home church area in Austin, Texas. We arrived in South Carolina on November 16, to spend Thanksgiving with our family. Cindy was thrilled to be a part of cooking a meal with all the trimmings. We drove to sunny Florida to visit Cindy's brother Bill and his wife Rhonda. Cindy lost her mother on May 5, 2024. Her brother had taken care of her parents for many years. As we prayed for God to open a way to share the gospel, her brother halted the conversation when the conversation turned spiritual. Our families spent Christmas together in Austin. Spending time with our children and grandchildren was a joy, and we made memories that will last a lifetime. We've scheduled some basic medical appointments while visiting our supporting churches in Texas.

### News from the other side of the globe: **Zimbabwe**

Just before leaving Zimbabwe, we had completed the last of the building projects. With confidence, we can say "It's finished!" The first big meeting in our new auditorium took place with our youth pastor Victor and his bride Nyasha. This is the first young couple in our church to get married right, and they will set an example for others to follow.

The month of December began with two Holiday Bible Schools (HBS) and three crusades. Rescue Baptist and Daisy Hill Baptist both had great turnouts. Fairview Baptist Church held a three-day Family Conference. Many decisions were made, and the Lord blessed the efforts greatly. The pastor of Sold Rock Baptist Church, Titus, has decided to homeschool his children because of growing concerns about local government schools. His wife Lillian is an amazing helpmate. They both have strong determinations to educate their children. Please pray for them. We trust the Lord can guide His church, and we have confidence that He will be able to handle its affairs without our direct involvement.

Cindy and I appreciate your allowing us to be an extension of your ministry. Partnering with you
