Dear Friends and Faithful Supporters,

Greetings in the wonderful name of our Lord and Savior, Jesus Christ!

First, we want to express our sincere gratitude for your faithful prayers and financial support. Every prayer you offer and every gift you give is making an eternal difference. Because of your partnership, lives are being changed through the power of the gospel, and men are finding hope, purpose, and restoration in Jesus Christ. We truly could not do this ministry without you.

The Lord continues to open new doors for us. We are excited to share that we have recently begun ministering at the Pomona Homeless Shelter. This is a tremendous opportunity to reach men who are hurting and searching for hope. We are praying that many will come to know Christ as their Savior and that those who need further discipleship will find their way into our program.

We also continue our weekly outreach to Skid Row, where we preach the gospel, distribute gospel literature, and personally speak with those in desperate need of Christ. Every week we are reminded that while the physical needs are great, the greatest need is still the transforming power of the gospel.

Another exciting project currently underway is the production of a new promotional video for Emmanuel Baptist Rescue Mission. Our desire is to better communicate the vision of the ministry, introduce people to the work God is doing, and help churches and individuals see firsthand how they can partner with us in reaching and restoring men through biblical discipleship. We look forward to sharing it with you soon.

At this time, we also have room to receive **three additional men** into our residential discipleship program. If there is someone in your church or community who is battling addiction, homelessness, life-controlling sin, or simply needs a Christ-centered environment to rebuild his life, we would be honored to be a resource. Our goal is not merely to help men overcome difficult circumstances but to see them become faithful followers of Jesus Christ who are equipped to live for Him and serve others.

Please continue praying with us:

- That many souls would be saved through our outreach ministries.
- For wisdom as we minister at the Pomona Homeless Shelter.
- That God would bring the right men into our program.
- For the completion of our promotional video and that it would be used to expand the ministry.
- That the Lord would continue to provide for every financial and practical need of the mission.

Thank you again for standing with us in this work. Your investment is producing fruit for eternity, and we are grateful to labor together with you for the cause of Christ.

May the Lord richly bless you for your faithfulness.

In Christ,

Brian Pattison
