

Dear Pastor and Praying Friends,

For the past 15 years, we have had the privilege of living and serving in Chipinge town. It has been a season filled with growth, many challenges, and God's faithfulness. During this time, we've also seen the village works grow under the leadership of faithful men whom the Lord has raised up. These men are now overseeing and nurturing those ministries, and we are truly grateful for their dedication. The issue of transportation for some of these men has been a pressing concern lately. Two of our preachers rely on motorcycles for their ministry, but their Chinese bikes are no longer functional. At this stage, repairs are neither practical nor cost-effective. Your assistance to help facilitate the purchase of two Honda Ace CB 125 motorcycles for our men would be greatly appreciated. Each motorcycle costs \$2,750, and your support would make a significant difference.

In response to much prayer, the Lord has directed us to move up into Harare to begin a new ministry there. This will be a step forward in faith, trusting His guidance every step of the way! This is a significant transition for Cindy and I, we covet your prayers during this time. Pray for wisdom, open doors, and favor as we begin this new chapter. Pray is also needed for the continued strength and fruitfulness in the ministries in Chipinge and the other works. The doors God opens to witness in Africa are endless! The Lord has been so good to this missionary couple, Cindy and I want to thank you for your faithful support and much needed prayers.

Love Jeff & Cindy

**We earnestly seek prayers for the following**

2. Opportunities to speak into the hearts of people.
3. God's guidance in breaking ground in the capitol city.
4. Prostate health: PSA levels have increased a biopsy is necessary.
5. The possibilities of a much needed vehicle.
