

BRUNER FAMILY | Missionaries to the Amazon Basin

Dear Pastor and Church Family,

Happy new year! We are so encouraged to share with you the blessings of 2024 and are excited to see what God is going to do in 2025. All praise and glory go to our Lord and Savior for all that has been accomplished this past year through the ministry of Uttermost Vision.

FREE AND CLEAR! As of our last newsletter we were at 57% of the needed funds for PHASE 1 of the Seminary Project. The prayer was to be able to reach 100% during 2025. Through the sacrificial giving of individuals and supporting churches, God has answered our prayers "...exceeding abundantly above all that we ask or think". Praise God we have raised 100% of the funds needed to accomplish PHASE 1. We are in the process of paying the remaining balance of the purchase of the property, a vehicle to transport materials has been purchased, and construction of the security walls has started! Stay tuned to hear exciting news about PHASE 2.

EAAMA's annual pastor's conference was held here in Tabatinga/Leticia the end of November. There were seventeen pastors and workers who attended. This year, it was a 5-day intense course learning how to use the Thompson Chain Reference Bible. At the end of the week, they all received their own TCR Bible. To see the joy on their faces was a stark reminder of the need for materials in this region. I have had the opportunity to speak with some of the pastors and this resource has been a tremendous help to them already. Please continue to pray with us as we strive to find and/or translate doctrinally sound materials for the ministries in this region.

CHRISTMAS is always a busy time of year for our family. The various Christmas parties and our annual Christmas Program filled the first part of December. Our adult and children's choir did a fabulous job performing the "Miracle of Christmas". The Lord blessed with first-time visitors, and since then some have returned for a service. We also enjoyed spending Christmas Eve with some of our church family. A special thank you to those who sent our family a special Christmas offering. We did some fun things as a family as well as take care of some needs that we had. May the Lord bless you greatly for your love and generosity shown towards our family.

THANK – YOU for your continued prayers and financial support on behalf of our family. We are grateful for another year partnering together for the furtherance of the Gospel in the Amazon. We are praying for you, your families, and your ministry.
