SERVING IN MADAGASCAR

January 21, 2026

Dear Pastor and Praying Friends,

Happy New Year! As I reflect on last year, I believe that it was one of the best overall years for our ministry here, in spite of Madagascar being one of the world's poorest countries and going through a coup. This is a testament to the power of God's grace at work in the lives of our people. **I trust that this summary of 2025 will be a blessing to you.**

Church: Last year, we saw a good number of people saved, had 23 people baptized and 21 adults join the church. Our church gave over \$5,000 to missions and supported 5 African church planters as well as our own three church planters. With your help, we purchased over 20 new pews, finished the kitchen and nursery, put in a well, and completed other projects.

Church plants: Our church plant in the country continues to grow. They are preparing to build a church building this year. Our other two church plants in the city are still small, but starting to see some progress, albeit slowly.

Bible Institute: 27 different students enrolled in our Bible Institute courses, with an average of 15 students per course. Our national pastors taught all four courses under my guidance. This year, two of our graduates plan to begin planting churches. Two more men are in their final year and have expressed desire to begin planting churches next year.

Overall ministry: Our 2025 teen camp was the largest ever, with 74 teens and counselors from our ministry alone. We held our first Pastors and Christian Workers Conference, with 13 churches represented. We also completed the translation of 3 courses from Source of Light, and submitted our NGO renewal for the next two years. Our combined churches averaged 285 in attendance in the last quarter, with many salvations, and 34 total baptisms for 2025.

Thank you to those who gave towards our projects. The well is done, the container will be shipped soon, and we should begin the building addition soon. Thank you for your prayers and support, as well as the special Christmas gifts, cards and greetings. God bless you all!

Sincerely,
Ben Anglea
